Your inspector will complete and sign the bottom portion of the form. Please mail this form to the Harbor Master, Old Lyme Town Hall, 52 Lyme Street, Old Lyme CT. 06371. The Harbor Master will attach this form to your Mooring Application, approve your application and send you a copy for your records. This inspection expires 12/31/2019. The mooring is to be removed by December 10<sup>th</sup> of 2019 in preparation for the next inspection, 2020.

Mooring Buoys are to be clearly marked with the Permit Holders last name and mushroom weight. The HMC recommends using an oil base paint on mooring ball to identify the owner last name and mushroom weight. **Be advised that if your mooring can not be identified because the letters washed off, or does not have a valid inspection report it may be considered an illegal mooring and may be pulled at the owner's expense.**
