

TOWN OF OLD LYME
MOORING INSPECTION NOTIFICATION

Attention: Mooring Owners

All moorings were to be removed in Old Lyme waters by last year 2012. To have a mooring for this year 2013, you must provide an inspection of your mooring by a qualified mooring inspector and have a mooring inspection report completed. See below table for a listing of the 2013 Mooring Inspectors available.

Please send your inspection report and a completed mooring permit with a \$25.00 check or money order (no cash!).

If you have not pulled your mooring, please contact me at 860-977-8620. Moorings that are still in the water will be removed at your cost and there will be a fine of \$70.00 to acquire your mooring back.
