#1 ADDITIONS TO THE AGENDA

No additions.

#2 CORRESPONDENCE

PG presented

#3 BUDGET UPDATE

#4 OLD BUSINESS

a. Tree Commission Update

PG stated that the present plan would result in trees being cut down, and the Tree Commission would like to review an alternative location for the Basketball Court, which would not result in trees coming down.

DB suggested that the Basketball Court could be shortened and slid away from the trees in question.

b. Potential Basketball Court Alternate Location

PG introduced

EXHIBIT B: "Site Plan"

The Commission agreed the ground surrounding the existing well would need to be landscaped.

c. Toilet Building Improvements

d. Revised Master Plan

PG

will ask BSC to relocate the court to the center of the park. Additionally, some of the impervious pavement presently in the R-10 will be eliminated.

BS

asked for a count of the existing and proposed parking spaces.

BR

suggested the committee look into Bright Ideas grants, which may provided an additional ~\$5000. Preparations should be made for a public information session to describe the Bathhouse Boathouse and Basketball Court. To clarify, the Basketball Court is within the scope of the STEAP grant. 25% of the STEAP grant is designated for Minority or Women owned business.

PF

presented a concept for a Bathhouse with a radiant heat and a secure door that may fit the ~\$235,000 budget. A review by John Flower is necessary.

EXHIBIT C: "Hains Park Restrooms"

DB

prefers "Version D", and commented that the season of operation could be March 15 to November 15.

BS

suggested that the Bathhouse be available to the public year round.

PG

noted that Nina Peck's scope does not include the Bathhouse. Any project >\$500,000 will need to be Department of Administrative Services certified.

#5 NEW BUSINESS

The project schedule was outlined as follows:

Bidding in December

Accept Bids in January

Award the contract in February

Break ground weather permitting, asap, or April 1 at the latest.
