

**TOWN OF OLD LYME
TRANSFER STATION FEE SCHEDULE**

The Transfer Station is located on Four Mile River Road, near Exit 71 of Route I-95. Free windshield stickers are available to Old Lyme taxpayers only (you must own property or register your vehicle in Old Lyme). Stickers allow entrance to the Transfer Station Recycling Area and can be obtained at the Selectman's Office in the Town Hall. You must present your vehicle registration to receive the sticker. The license plate number of the vehicle must match the license plate number on the sticker. **Please bring vehicle registration and proof of property ownership with you to request a sticker.** Call the Selectman's Office (860 434 1605, ext. 212) or the Transfer Station (860 434 2337) with questions.

The items listed on this sheet cannot be deposited in your automated trash or recycling cans

Please note: You can dispose of household alkaline batteries (AA,AAA,C,D, etc.) with your household trash. For a complete list of acceptable and unacceptable materials visit: www.rivercog.org or call 860 581 8554. Email - info@rivercog.org.

Medical Waste Disposal

- Keep the medication in its original container; Get a sharpie marker and cross out all of the info on the label; Find something that will pollute the medication (coffee grounds, sand, water etc) and add that to the medication. Put the container in the trash so that it can be destroyed with other waste. (*Information provided by CRERPA*)

The Connecticut *Department of Environmental Protection*, Bureau of Waste Management staff recommends that before disposing of used syringes in regular household trash, home users properly package them by:

- Placing syringes in rigid, puncture-resistant, opaque containers, such as bleach or liquid detergent bottles; and labeling the containers "Do Not Recycle" and "Sharps."
- Securely sealing the containers with heavy-duty tape. Staff recommends that individuals contact hospitals, clinics, pharmacies, or other facilities to find out if they collect packaged used syringes.

The Town of Old Lyme contracts with Shoreline Sanitation for curbside collection of household trash and single stream recycling. A blue automated trash container is provided for collection of household trash only ~ no yard waste, recycling, or hazardous waste of any kind may be placed in the blue container. A green automated container is provided for collection of single stream recycling only. Both containers are the property of the Town of Old Lyme and are assigned to a specific address. *Do not take them with you if you move!* You may purchase additional containers through the Selectman's Office. Visit www.oldlyme-ct.gov for additional information about the Transfer Station or Trash and Single Stream Recycling.
