

ADA Committee Minutes

4/29/14

In Attendance: Stephanie Lyons & Missy Garvin

Absent: Valerie Goncalves

Meeting called to order at 9:00

Old Business:

Stephanie sent committee members information that she received from KRMA for to be looked through.

Stephanie has been speaking with Area ADA coordinator and is meeting with her on Friday 5/2/14 to get more information and guidance.

The submitted grievance policy was approved by Bonnie with only one change, the removal of Bonnie's name (and replaced with First Selectman) so that it can be used far in the future.

Stephanie is working on completing the application for the 2015 field based training.

Stephanie took the web based ADA training is will make the course available through print out to the other committee members.

Missy looked through the flash drive of old ADA information that was given to the committee by Cathy Frank and found no pertinent information. The materials on the flash drive are old and out of date.

New Business:

Committee members will look through the web based training prior to the next mtg.

Stephanie will report to the committee on her meeting with the Area ADA coordinator.

Meeting Adjourned at 9:30
