### Letter from the New Senior Center Coordinator Stephanie Lyon

**W**hen thinking about September, most people think about children going back to school and learning new things. But why limit learning to children? Learning is important at any age. As the old adage goes, "You should learn something new every day." By keeping our minds active, we are keeping our brains young. To that end, we are starting a free lifelong learning series this month! Please join us on September 5 at 1:00 pm for an Introduction to Reiki class with Reiki Master Becky Sears. According to reikicenter.net, Reiki can enhance every aspect of your life, whether you want to maintain a healthy state of wellness or you are facing the physical and emotional challenges of a life-altering disease. Each month we will be offering new classes, so make sure to check out our upcoming newsletters for details on these programs.

Our Summer Concert Series this year was a huge success. I would like to extend a special thank you to all of those who made the Summer Concert Series possible. Donations were made by the following companies: Lyme Fire Company, First Selectmen Ralph Enos and the Town of Lyme, First Selectwoman Bonnie Reemsnyder and the Town Of Old Lyme, Essex Savings Bank, Interim Health Care, The Republican Town Committee, Old Lyme Ice Cream Shoppe, and Salem Valley Farm Ice Cream. In addition we could have not done it without the Senior Center Board, who pitched in to make sure everything ran smoothly or Doris Johnson, who arranged the concerts. I feel fortunate to work with such wonderful people!
