Seeking Two New England-Based Businesses Looking To Increase Paper Recycling Initiatives

The Northeast Recycling Council, Inc. (NERC) is seeking two New England-based firms that are interested in receiving **free** technical assistance on developing or improving a paper recycling program at their corporate and satellite offices. NERC is able to offer this assistance through an EPA grant. The assistance will include site visits, staff trainings, program development, troubleshooting, assistance with monitoring progress, and providing outreach and promotion of results.

NERC is a 501 (c)(3) organization, who's mission is to advance an environmentally sustainable economy by promoting source and toxicity reduction, recycling, and the purchasing of environmentally preferable products and services. NERC's Board members include environmental and economic development agencies from the ten Northeast states. Advisory Members include private businesses, recycling trade associations, utilities, towns, consultants, and non-profit organizations

If your company is interested in being considered to participate for this direct assistance, contact Mary Ann Remolador at 802-254-3636.
