HRIC

Lieutenant River Bridge and Trail Presentation

Presentations to include:

- 1 -2 examples of work depicting a bridge similar to what will be required for the Halls Road Project.
- Examples of types of bridges considered for this site
 - o addresses length of span
 - o refitting into existing abutment
 - o arc element to refer to historic 'bow bridge' once at this site
- Examples of landscaping completed that are similar to this project
- Examples of lighting and paving appropriate for the site

Basic questions after presentation will include:

- Have you done work for Old Lyme in the past?
- What are your core competencies?
- What potential obstacles do you foresee?
- What makes your firm better than others?
- What percent of your prior projects have come in within budget and on time?
- How do you see helping 'sell-in' your plan to the community, boards and commissions?
- What are your experiences and expectations working with regulatory agencies for something similar to this site?
- Please supply references
