Meeting date: Thursday, January 5, 2023

Sustainable Old Lyme Team

Meeting Minutes - 1/5/2023

In attendance: Cheryl Poirier, Holly Lyman

1. Welcome. Meeting opened at 5:38pm
2. Approval of the October 2022 Meeting Minutes as presented. Holly Lyman made a motion to approve the October 2022 meeting minutes as presented. Cheryl Poirier seconded. Motion approved.
3. Review of Sustainable CT New Actions and Requirements. The new Sustainable CT actions and sub-actions posted at <https://sustainablect.org/actions-certifications/actions> were reviewed in detail. It was determined that Old Lyme's current silver certification is good through 2024, so no modifications are needed until August 2024. Due to this long time frame, it is important that the Sustainable Old Lyme team continues to document the many sustainability initiatives happening between our last update in 2021 and the next one in August 2024. Basic information should continue to be sent to sustainableoldlyme@gmail.com. Cheryl is recording this information to a spreadsheet at sustainableoldlyme@gmail.com's google sheets.
4. Other Business: It was decided that Sustainable Old Lyme will hold meetings on a quarterly basis in 2023. The next meeting will be held April 6, 2023.
5. Public Comment: None
6. Holly made a motion to adjourn the meeting. Cheryl seconded. Motion carried. Adjournment at 6:45 pm.
