#### **Facilities**

##### Cross Lane Park

Cross Lane Park is in daily operation with Little League baseball and softball, pickleball, tennis and basketball. A message board was purchased, and public works installed it near the tennis/pickleball courts. The message board lists court rules and scheduled events.

##### Town Woods Park

Town Woods Park is open and in use by the lacrosse club, the soccer club, Lyme/Old Lyme Little League and Parks and Rec. All fields are lined, and they are in particularly good condition. The park's (previously damaged) entry gate has been replaced and re-installed.

##### Hains Park

The high school and rowing club activities are active on a daily basis. The last LOLHS home crew regatta was April 30. There were 4 LOLHS home events (April 9, 19, 23, 30) scheduled this season. The Old Lyme Rowing Association has requested that the annual National Learn to Row Day event be scheduled for Saturday, June 7.

On the evening of April 18 it was noted that a low water alarm was flashing which indicated a problem. It was determined that a major toilet water leak was in the men's room, and it drained the entire 800-gallon system. The building was closed for several days until the toilet and flush valve were replaced and the water tanks refilled.

##### White Sand Beach

The gazebo repairs are expected to start this week. The water has been turned on, and the bathrooms are now open on a daily basis. The handicap walkway has been reinstalled. The parking lot is scheduled to be swept and re-lined soon. The beach cleaning schedule will be starting soon as well. Swim buoys are expected to be installed prior to the Memorial Day weekend.

## **OLD BUSINESS**

### **Goose mitigation at Hains Park / Rogers Lake Authority (RLA)**

Bob Dunn reported that the RLA did a wonderful job of locating the geese nests and addling the eggs. Currently there are very few geese at Hains Park. The Scram product will be applied at the park in June or July.

### **HP Docks, remove dock section on beach**

The section of dock that was on the beach is now in the water.

### **Survey Monkey for Hains Park – Summary**

Sara van Vliet sent the summary of the survey to the commissioners a couple of weeks ago. There were no questions. A handful of results are included in Sara's letters to be sent to the BOS and the BOF. A weekly clean-up of the park will be requested in the letter. Don Bugbee will speak to Martha Shoemaker, and after speaking with her, he will speak to Ed Adanti of public works.

### **Hains Park Pavilion / Playscape**

There was a discussion, and a decision was made to not purchase a pavilion for Hains Park at this time. One reason was that the money would be better used towards dredging in the future. It was decided that three picnic tables will be ordered and placed. One of the tables will be ADA compliant.

Sara van Vliet reported that the revised quote for the new playground at Hains Park is \$72,000, which includes installation. Commissioners were reminded to consider reinforced turf pathways to the playground area that qualify as ADA compliant.

It was noted that the new T-ball field is complete at Cross Lane Park. Thanks to the Little League volunteers for their hard work.

### **CORRESPONDENCE**

There was no correspondence.

### **PUBLIC COMMENT**

Gretchen Gregg was welcomed as the new president of the OLRA.

### **ADJOURNMENT**

Mary Ellen Garbarino moved to adjourn the meeting at 6:45 PM and Brendan McKeever seconded the motion. **SO VOTED.**

**The next meeting of this Commission is scheduled for June 5, 2025.**

Respectfully submitted,

Mary Ellen Garbarino, Secretary
