Center has reopened on a soft schedule. Sheiness reviewed financial report to indicate current expenditure and potential savings for the towns that show the project coming in under budget. Beebe reminded everyone about the STEAP grants that also helped with a total of one million dollars allocated for the project. A copy of the current financial report is included with these minutes.
- **Furniture Procurement Update** –Olsen advised an update of delivery of remaining pieces from Strategic Spaces scheduled for May 22, 2025.
- **Ribbon cutting ceremony/reopening planning** - The Towns will conduct this event on May 31, 2025 from 1-3pm. Dedication plaque to be installed May 15, 2025. Kiker advised that remarks and event are in planning stages.

**V. Other Old Business** – Baker noted that this would be the last regularly scheduled meeting of the committee; but after some discussion, the committee will remain active until July 1, 2025 pending any unforeseen items to address. If needed, special meeting(s) can be called.

**VII. Other New Business** –Sheiness is the chairman of the 501c3 Friends of the Lymes' Senior Center which raises funds for programs for the center. He noted that the Friends are actively seeking board members and outlined how work is conducted (e.g. meeting schedules).
