

To whom it may concern,

The State of Connecticut Department of Energy and Environmental Protection (CT DEEP) is making available the draft *State of Connecticut Integrated Water Quality Report* for public review and comment (Public Notice) from **September 12, 2025, to October 14, 2025**. This Report was prepared by the CT DEEP to fulfill requirements of the Federal Clean Water Act (CWA) under Sections 305(b) and 303(d). The final documents will be submitted to the federal Environmental Protection Agency (US EPA) following the Department's consideration of the comments received.

Interested persons may obtain copies of the draft *Integrated Water Quality Report* (IWQR) on the CT DEEP website at <https://www.ct.gov/deep/iwqr>. Hard copies of the document may be requested by contacting the Department at rebecca.jascot@ct.gov.

Written comments on the draft IWQR must be received by CT DEEP by **October 14, 2025**, in order to be considered prior to submission of the final IWQR to the US EPA.

Electronic comments are preferred and should be directed electronically to Rebecca Jascot at DEEP.IWQR@ct.gov. **Please use subject line "2024 IWQR Comments."** Comments may also be submitted in paper form to the Connecticut Department of Energy and Environmental Protection, Bureau of Water Protection and Land Reuse, Water Planning and Management Division, 79 Elm Street, Hartford, CT 06106-5127, Attn: Rebecca Jascot.

A public meeting will be held ([registration required](#))
<https://ctdeep.zoom.us/meeting/register/LmfgCoFdQ8qPClMy1yWsEQ> on September 17, 2025, via ZOOM from 11:00 a.m-12:30 pm Eastern Time (US and Canada). After registering, you will receive a confirmation email containing information about joining the meeting

CT DEEP is an Affirmative Action and Equal Opportunity Employer that is committed to complying with the Americans with Disabilities Act. To request an accommodation contact us at 860-418-5910 or deep.accommodations@ct.gov.

Thank you for your participation.

Brian Thompson (Acting Bureau Chief)
Bureau of Water Protection and Land Reuse
