SCAM ALERT

IMPERSONATING STATE OR LOCAL FIRE INSPECTORS

Recently, in other shoreline communities within the State, imposters posing as a Fire Inspector have entered businesses and residences and appear to perform an inspection. At the conclusion of the fraudulent inspection, presents the business or homeowner with an invoice and requests payment in cash.

Please be advised: the Old Lyme Fire Marshals Office will always schedule their inspections in advance and never submit an invoice or bill for cash payments. Both the Fire Marshal and Fire Inspector have photo identification and can be verified by contacting the Old Lyme Selectmen's Office at 860-434-1605 extension 210 at any time.

If you think you are interacting with imposters, please contact the Old Lyme Police Department immediately by calling 911.

If you would like further information on our inspection protocols kindly contact the Old Lyme Fire Marshal's Office directly at 860-434-1605 extension 231.

Thank you and stay aware of your surroundings.
