Freedom of Information Act Request

It is the Town's policy to respond to Freedom of Information Act requests as quickly as possible.

If records are available in electronic format, they can be sent at no charge. Records that must be photocopied can be made available at a cost of \$.50 per page. We would advise you in advance of the estimated cost.

There may also be a fee for labor cost(s) associated with your request, in accordance with CGS Sec.1-212(b)(1). We would advise you of the estimated cost before proceeding.

You are welcome to visit the Town Hall during normal working hours (Monday through Friday, 9am to 4pm) to view public records. If you plan to visit the Town Hall to see specific records, we suggest that you make an appointment. This is for your convenience because of our relatively small Town Hall staff.

So that we can document your request and respond in a timely manner, please complete a Freedom of Information Act Request form.

Completed forms may be submitted in person, via e-mail to selectmansoffice@oldlyme-ct.gov, or by mail to FOI Request, Selectman's Office, Town of Old Lyme, 52 Lyme Street, Old Lyme, CT 06371.

Please note that your request is also a public record and is subject to disclosure under the FOIA.
